We Did It!

$300,238 RAISED!

Because of the generosity of our members, donors, and community, Darien YMCA reached and surpassed our Annual Campaign goal.

Your support ensures that children, families, seniors, and neighbors have access to the programs and support they need to belong and thrive.

YOUR IMPACT

Because of you:

- Families receive financial assistance and scholarships.
- Children attend camp, learn to swim, and build confidence
- Teens find belonging and leadership
- Adults and seniors strengthen their health and connections

Every gift opens a door. Every donor makes a difference.

Together, We Thrive.

Thank you for believing in the Darien YMCA and strengthening our community.
